City of Richmond Plans Informational Meetings for Owner Occupied Rehab Grant

Richmond, IN – The City of Richmond is holding two public meetings to distribute applications to homeowners who are interested in receiving a grant to repair the outside of their home. The meeting dates are

Wednesday, March 26
4:00 PM
Vaile School, 300 South 14th Street
Door 5, Cafeteria

and

Thursday, April 3
10:00 AM
Community Room
City Building

The purpose of the meetings is to inform interested homeowners on how to apply for grant money to make improvements in their house. A few examples are a new roof, new windows, siding, and outside paint. The city hopes to assist at least 20 homeowners.

Homeowners must meet the low-income HUD guidelines at a minimum. Guidelines will be distributed at the two meetings. Homeowners must live in the house to qualify. Rental property is not eligible. Potential city recipients must be included in the grant application.

All information and forms will only be available at the meetings. Homeowners should attend one of the two meetings to receive complete information. Persons who were on lists from previous grants will need to submit new forms. Star Development personnel will be available to answer questions and for assistance with the forms. Star

Development, Inc, of Cambridge City, has administered the last three OOR grants that the city has received.

For persons unable to attend either meeting, forms will be available, beginning March 27, at the Metropolitan Development office, third floor of the city building or in the Mayors Office on second floor. If you have questions, please contact Sharon Palmer at 983-7222 or Star Development at 765-478-6512.
